## HOW TO BE FAIR IN FAIR HOUSING

Real Estate REvive is a virtual event featuring the hottest Real Estate topics agents are facing. This session is focused on Fair Housing and the challenges real estate agents may encounter in ensuring equal housing opportunities. We will provide valuable insights into housing discrimination, community impact, and best practices for fostering inclusive neighborhoods. Industry experts will share real-world experiences and strategies to navigate obstacles while promoting fair and ethical housing practices. Don't miss this opportunity to learn, connect, and advocate for fair housing for all!
